

Edelweiss is adding a slick track enduro event on his August schedule

Par Martin Bélanger

Cantley, PQ - Thursday, August 2nd, 2007 – An error was done in my July 31st release about the 25 lap slick track enduro race that was added to the schedule at the end of the month of August. I wrote that the race would be held on the 31st.

The race will be on Friday, August 24 after the evening race program. The track will be watered to give slippery conditions before the green flag. The first three will share \$500 in money. Drivers will get 5 practice laps during the night to test and tune their vehicle. This race is open to North American 6 and 8 cylinders cars.

If this race cannot be done on the 24th, it will be postponed to the 31st.

For any questions, you can look at the enduro rulebook on the Edelweiss website at:
