

## **Gauvreau night at Edelweiss Speedway**

Cantley, PQ – Friday, July 11, 2008 – Martin Belanger – On Ray Matte Couvreur night, a complete racing program was presented in all categories with the pro-stocks and a demolition derby at the end of the night.

Eric Gauvreau took the early lead in the 30-lap feature race when Jeff Ciglich had problems with his car in front of the grandstands. Gauvreau had a good start and he followed by Joel Doiron and Laurent Ladouceur. Gauvreau had built himself a good lead when Ladouceur passed Doiron for the second spot. Ladouceur was getting closer to Gauvreau at the halfway point. The top 5 at that time was Gauvreau, Ladouceur, Doiron, Bobby Herrington et Philippe Landry. Philippe Landry brought the yellow on the 24th lap. On the restart, Gauvreau had company with Ladouceur but Gauvreau managed to stay in front. Gauvreau led the final 2 laps to win his second feature of the year in front of Ladouceur, Doiron, Herrington and Pierre Dagenais completed the top 5. Dan Jalbert and Laurent Ladouceur won the qualifier.

In the 20-lap Pro-Stock feature race, Joey Ladouceur took the lead and led for the first 12 laps when Denis Gauvreau used the outside lane to pass Ladouceur, Stéphane Lebrun did the same thing as Ladouceur got a flat tire on lap 15. On the restart, Gauvreau stayed first and led the last 5 laps to win his third win of the season. Ladouceur had won the heat race.

Brian Rochon took the lead in the 15-lap Semi-Pro feature and led for the first two laps when Guy Regimbald and Stéphane Carrière got together and this brought the yellow. On the restart, Rochon leads the way with Bruno Boivin and Sébastien Bigras in the top 3. Rochon led the completed feature when Boivin got dropped to fifth for rough riding and Rochon won his second feature race with Sébastien Bigras, Daniel Guindon, Alex Gagnon and Bruno Boivin completing the top 5.

In the Mod-Lite, the feature was done deal for Christian Pronovost, he led the feature race from wire to wire and won this second feature of the year, his father Dean followed him with Dave Bell completing the top 3. Pronovost had a perfect night as he won the heat race.

The night started last week`s 4-cylinders feature race. Jean-Marc Larose dominated the 12-lap race and won his third feature of the season in front of Gabriel Mercier and Alexandre Pilon.

In the second feature race of the 4 cylinders, Gabriel Mercier took the lead and lead the first lap when Martin Lagacé stopped. On the restart, Mercier stays in front and takes a good lead when Lagacé passes the Jean-Marc Larose for second with 5 laps to go. Mercier led all the laps to win his first feature of the year in front of Lagacé and Larose. Mercier had a perfect night he also won the qualifier.

Another great night of racing as the fans really appreciated the races and the demolition derby was very entertaining. Peter Mantha was also in the pits with his World Of Outlaws Late Models, he did some practice laps and the fans were pleased with his show. Next week is one of the biggest nights of the year with the first of three visits, as the Empire Super Sprints will be in town. One of the greatest show on DIRT, do not miss it!

#### **Modified Feature Results (30 laps)**
