

## **A Super Enduro Afternoon on May 24 and great action to come on May 28!**

Cantley, PQ – Wednesday May 26, 2010 – Martin Bélanger – Edelweiss Speedway took opportunity of the long week-end to host an afternoon full of action on Monday, May 24 with a Super Enduro for 4 cylinders, 6 cylinders and 8 cylinders. The fans had a nice afternoon with sunshine and hot temperatures along with great action on the track. Les Fondations BRL, was the sponsor of the day.

The afternoon started with the 40-lap feature in 6 cylinders, Marcel Baron had the best on Philippe Dagenais and Steve Cashman completed the podium. A total of 15 cars took the green flag.

The 8 cylinders were next in line with another 40-lap race, 13 cars took the initial start, and only 5 cars were able to complete the feature race. Benoit Nadon was the winner.

The last race was a 60-lap feature for the 4-cylinder type of cars; Bruno Richard was the fastest and won the race.

The action continues this Friday at Autodrome Edelweiss with another complete race program including the first series race of the Toitures Marcel Raymond for Semi-Pro; they will have 25 laps of great battles plus some 4-wheeler events sponsored by Chartrand Yamaha. The Photo and Autograph Session has been postponed to Friday, June 11 as we will receive our new 2010 calendar on that date.
