

The Ontario DIRT Late Model Show at Edelweiss is cancelled!

Cantley, PQ – Friday, July 23, 2010 – Martin Bélanger – Another special program tonight with the Ontario DIRT Late Model making their annual visit at Edelweiss, but Mother Nature had other plans as a steady sprinkle start at around 4:30pm and lasted for more than 2 hours and forced the management to cancel tonight's program.

At the time of cancellation, over 25 Late Models were parked in the pits ready for action and unfortunately will not be back this year because several competitors have other commitments and would be too hard to bring everyone back. Early discussion for 2011 happened and one or even two dates might be secured for next year.

Edelweiss Speedway will host the 3rd edition of the Simone 50 with a 50-lap Syracuse Qualifier 358-Modified feature event with a fundraiser of the Heart and Stroke Foundation of Quebec. Along with the modifieds, the Semi-Pro will also have a huge event with the Street Stock Challenge with a 35-lap finale with several outsiders in attendance. The Mod-Lite category will also be on the racing card.
